City Council Meeting Cancelled to Aid Emergency Evacuations

SAN DIEGO -- Today's 2:00 p.m. meeting of the San Diego City Council has been canceled, due to the out-of-control wildfires burning in northern San Diego.

Council President Peters urged all residents not under mandatory evacuation to remain off the roads to aid emergency evacuations. All residents are encouraged to stay off their cell phones if possible, and to monitor television and radio broadcasts for the latest information on the fires, school closures and evacuation routes.

Items on the Council agenda scheduled for today will be tentatively rescheduled for tomorrow. City staff and interested parties are encouraged to check with the Council President's office, 619-236-6611.
